A Good Suggestion.
Mr. C. B. Wainwright of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drank. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by all druggists.

Chamberlain's Cough Remedy the Best

"I have been using Chamberlain's Cough Remedy and want to say that it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlem, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by all druggists.

LEMP'S

Beer needs no words of recommendation and praise before the public. A beverage as brewed by that extensive firm is like U. S. currency—people take it because they know it is an

Excellent

and genuine article, and that, like pure air and nutritive food, it is beneficial to health. Because the beer of the Hofbrauer in Munich is delicious, men, women and children are seen waiting for hours to be served, because the supply of

Beer

is not equal to the demand. Even so with Lemp's product. Located at St. Louis he established one of the largest breweries in the world, and yet every year the capacity has to be increased.
